maryamshahid772@gmail.com

Karachi, Pakistan

Summary

A motivated and skilled frontend developer with expertise in **HTML**, **CSS**, **JavaScript**, and **TypeScript**, complemented by hands-on experience in **Next.js**, **TailwindCSS**, and **WordPress**. Passionate about crafting responsive and visually appealing web solutions, I also possess a strong background in **Graphic Designing** to enhance user experiences. My career goal is to build innovative, high-performing websites and applications that merge functionality with aesthetics, contributing to impactful projects and driving growth in the tech industry.
